Dear Mike:

With your terrific help we did it again! Our 38<sup>th</sup> annual Jerry Lewis MDA Telethon was a record-breaker. You rallied your community behind MDA and its cause to raise a sensational total.

The great team you put together helped lead us to the most successful Labor Day Telethon ever -- and it was our "Love Network" of local affiliates, bringing MDA's message to the American public that made this accomplishment possible.

You're essential to our fight against neuromuscular disease. Your emcees conveyed MDA's message of help and hope to a caring public as only they can. Your final toteboard total is testimony to their effectiveness. It was truly a Telethon to remember!

We couldn't have done it without you! You have our deepest appreciation for everything you do in the fight against neuromuscular disease.

Warm regards. . .

Dear Mr. Lee:

Thank you for pledging your corporate contribution of \$1,000. Together, along with your company, co-workers, friends and neighbors, you are helping us gather millions of dollars for the mentally and physically disabled, helpless children, the elderly and young people struggling to find their way, right here at home.

You may never have the opportunity to meet the recipients of your generosity. We know that if they could, they would thank you whole-heartedly for your support and for showing that "they matter." All of our lives in this wonderful community are better because of you and your business.

I have enclosed a "Confirmation of Verbal Pledge" form based upon your recent conversation with Rodney Hess. Please accept this form as confirmation of your pledge. If your records do not agree, please contact Charla Hakimi or myself at 376-6359 or [charla@unitedwayama.org](mailto:charla@unitedwayama.org). Dear Mr. Lee and Mr. Howard,

Kidz HealthFest 2003 was a big success thanks to all the support from our sponsors, for without organizations that put the care for the community as a priority this event would not be possible.

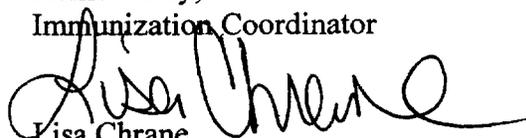

The City of Amarillo Public Health Department was anticipating on a crowd of 400-500 people but instead there were over 1,400 people that attended the event.

The Care Van and NWTB women and children's services vaccinated over 600 children at the Kidz HealthFest. The Care Van is a mobile vaccination clinic that is owned and operated by the Coalition of Health Services that serves the 26 counties of the Texas Panhandle.

Kidz HealthFest 2003 was so successful in reaching the community that we are going to make Kidz HealthFest an annual event. We are looking forward to next year's Kidz HealthFest and anticipate on doubling the number of participants and vaccinations. Thank you so very much for all the help and support.

Dear Mike:

You are cordially invited to attend the annual meeting of the Amarillo College Radio-Television Advisory Committee on Wednesday, June 25 at 11:45 am in the Private Dining Room of the College Union Building (1<sup>st</sup> floor).

The Radio-Television Advisory Committee is extremely important to our academic radio-television program at AC. At the meeting we will introduce our faculty and staff, discuss the radio-television curriculum, describe proposed new equipment which will be purchased in the Fall, and talk about student projects. I'm looking forward to you meeting our new radio-television department chair, Lana Jackson.

One of the most important aspects of the meeting will be to solicit your thoughts on how our students and graduates are performing in positions at your station. We'll also ask you for your advice on additions or changes to our curriculum, how we can improve our program, equipment, etc.

The Advisory Committee meeting is always a highlight of the year for us, because we get to visit with successful local professional broadcasters like you. Our primary goal is to educate and train students who will be excellent employees for you. We are most appreciative for the good working relationship we have with you and others in the Amarillo broadcast community.

Please plan to join us for lunch on Wednesday, June 25 at 11:45 am in the Private Dining Room of the Amarillo College Union Building, 24<sup>th</sup> and Jackson. RSVP to Ann Usrey at 371-5267 if you are able to attend.

Thank you for your assistance in helping us provide a first rate broadcast education program for our students at Amarillo College. I look forward to seeing you on Wednesday, June 25. If you have any question, please call me at 371-5226.

Dear Friend,

Blake Goldston from Money Mailer has made a donation on your behalf to The Panhandle Division of the Multiple Sclerosis Society.

Our goal is to increase the level of mission output to the entire MS community in the areas of service, education, research and advocacy. We depend on the generosity and concern from the community to help us reach this goal.

MS is a chronic, often disabling disease that attacks a person's nervous system. The progress, severity and specific symptoms of the disease cannot be predicted; symptoms may range from numbness to paralysis and blindness. Because of this unpredictability, our local office strives to be available to answer questions and meet individual needs.

With your help, we will end the devastating effects of multiple sclerosis.

Sincerely,

**D'Wan Grimes**

Office Managers,

Thank you so much for helping us get the word out about our free tax help. We have had a very successful tax season due mostly, to the fact, that people knew of our service.

We really appreciate your effort to help us, and I am sure that your local taxpayers appreciate you too.

We are looking forward to your cooperation again next year.

Again , thank you!!!

want to thank you for your support of our

With your gracious donation to our cause we  
were able to raise over \$6,000 towards

Rotary International began this project in  
1985. By 2001 we had reduced the number  
of cases from 350,000 in 125 countries to  
480 cases in 10 countries. With your help  
hopefully by 2005 this number will be 0.

Dear Mr. Lee:

I am writing to express our appreciation for the efforts by Channel 10-KFDA to bring awareness of the need to mentor young men in terms of dating and family violence. The PSA to raise this awareness was produced by Millie Bingham, a member of the KFDA staff and a board member of Family Support Services. The PSA was awarded a Silver Addy Award at the Addy annual awards banquet Saturday evening.

Amarillo and the Panhandle are well served by Channel 10/Telemundo and provider agencies such as FSS benefit through the technical and production skills exhibited by Millie and the production team who work to produce this PSA.

On behalf our staff, volunteers, and members of our board, we congratulate Channel 10 for the Silver Addy award and again express our appreciation for Millie's leadership in producing the PSA recognized by the Addy judges.

Dear Mike:

MDA's valued relationship with you and the fine station you head reflects a long-standing and intimate partnership between our Association and the television broadcasting industry which has existed virtually from the birth of each.

Our first Telethon, starring Jerry Lewis and Dean Martin, aired in the early fifties before most Americans even owned TVs. The rest, as they say, is history. In a very real sense, MDA is a creature of television, having thrived not only through its Telethon but also through our Carnivals Against Dystrophy effort of the 60s and 70s, TV specials, an infomercial, public service announcements and myriad other means by which television has brought and -- thanks to you -- continues to bring our message and our mission to the American people.

Over the years, MDA has been led by top broadcasters. Pat Weaver served as the Association's president in the 70s. Jack Harris and Terry Lee were MDA directors. The composition of our 19-member Board today attests to the importance of television to our effort: Jann Carl, Harold Crump, Jim Major, Ed McMahon and Olin Morris have all made major contributions to the television broadcasting industry and help lead MDA.

Thank-you for your e-mail. We know how much the Coach meant to the community. I will pass this along to the sports department who put together the tribute.
